

ST. GEORGE INTERNATIONAL SCHOOL,

DEEWANGANJ, RAISEN

Academic Curriculum 2022 -23

Pre Primary

Teaching Methodology - New pathways to learning.

"Children are not things to be moulded, but are people to be unfolded."

St. George Co ed School is one of the premier institutions of Bhopal which provides Pre Primary based education to the young students stepping into the portals of education. Method is based on an understanding of a child's tendencies and addresses a child's need. The aim is to maximise a child's independent learning and exploration.

Facilities Par Excellence

At St. George Co ed School Pre Primary materials provide diverse and creative pathways to learning .While some of the material equips the children for their day to day activities, the use of others enables the children to use their senses for their development. Arithmetic and language learning becomes easy and permanent through the specially designed materials with which children work every day..

Co-Curricular Activities - Enriching experiences Pre- Primary students become confident, enthusiastic, self-directed learners. They are able to think critically, work collaboratively, and act boldly—a skill set for the 21st century.

As the pre-primary level is the foundational stage of the tiny tots, our main focus is to set their mind fear free by providing a secure environment through play-way method making the formal schooling interesting and entertaining with a perfect balance of Activity based learning, inculcating within each child the essence and meaning of love.

Primary

Creativity

Co-curricular activities form intrinsic part of a student's life at St. George School. Co-curricular activities are much more than fun activities; they add a new colour line in a student's school life. Cultural, literary and sports competitions are organized for the primary students to polish their personality in many ways. Dance, drama, quizzes, language fests, annual function, annual; exhibition and Annual Sports hones a student's inter-personal skills, design consciousness, sensitivity of feelings, team work, and links the physical skills to the mind and to the emotion.

Assessment/Results-

In accordance with the CBSE guidelines, annual assessment of the students is based on six Periodic Assessments which include worksheet comprising variety of question answers as well as activity-based questions such as Grid and Puzzles, Crossword, Map Skills, Recitation and Identify/Rectify errors.

Secondary /Senior Secondary

Co-curricular activities are conducted throughout the year to keep the students occupied in creative quests and to provide an outlet to the students' bubbling ingenuity. The Annual Calendar specifies the Names and Dates of various competitions which are planned for the Session so that the students get ample time to prepare themselves. Teachers, too, are always at hand to assist with their expertise. The Competitions and Activities are carefully planned keeping in mind the varied interests and mind sets of the students and the list is exhaustive ranging from Dance, Cyber Quiz, Reading, Recitation of Sanskrit Shlokas , Debates, Best out of Waste, Music and Painting.

ASSESSMENTS - Evaluating Progress

The Assessment Pattern in Secondary Section is based on the Remodeled Structure of Assessment prescribed by the CBSE. The

Annual Assessment is based on Two Unit Tests and Two Term Examinations. Each Assessment has suitable weightage and is considered for the Annual Result. The Assessment Pattern is thus Continuous and Comprehensive.

Results are prepared keeping in mind the format suggested by CBSE. Descriptive Indicators on Self Assessment, Work Education, Art integrated, Sports Integrated Performing Arts, School Environment/ values, Yoga and Sports are also an integral part of the Progress Report.

Curricular Practices in Senior Secondary School:

- In Senior Secondary School students are guided in their preparations for different competitive exams.
- Our assessments are based on projects, science exhibitions, activities, research, weekly quiz competitions, presentations and monthly reviews.
- Field trips, workshops and guest lecturers take on new meaning as interactions with experts and specialists in various fields become the focal point.

Assessment/ Results:

As per the CBSE norms.
